

WORK NOTICE

POSTING DATE: July 12, 2017

SCHEDULED WORK DATE: July 17, 2017

Orange County Public Works will be conducting maintenance and/or flood control project activities in this section of Flood Control District property. All individuals and property must be removed from the Work Area identified on this Notice by the Scheduled Work Date above.

NATURE AND LOCATION OF THE PROJECT: OCPW will be installing permanent security fencing and a gate to control access to Flood Control District property in the area on the western bank of the Santa Ana River near the Honda Center, from Katella Ave, working north/upstream 2300 ft. to the railroad bridge. ("Work Area").

WARNING

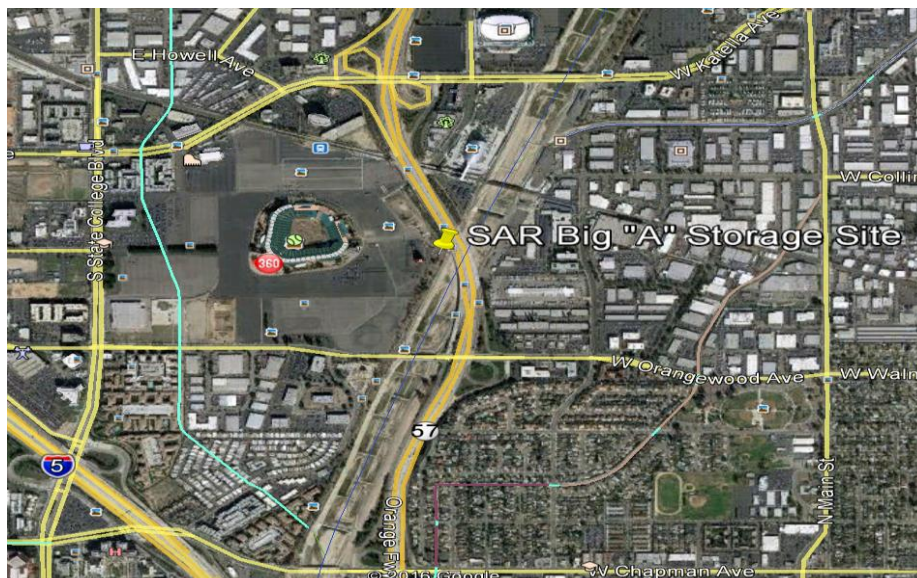

- 1. Unauthorized persons remaining in the Work Area on or after the Scheduled Work Date may be subject to citation and prosecution for trespass. Penal Code Sections 602 & 555 et seq.**
- 2. People who deposit personal property in the Work Area on or after the Scheduled Work Date may be subject to citation and prosecution for nuisance. Penal Code Sections 370 and 372.**

All Items Remaining In The Work Area On Or After The Scheduled Work Date Are Subject To Removal And Storage Or Disposal.

A. Personal items not subject to immediate disposal that objectively appear to be temporarily unattended, and not abandoned, will be stored for a period of 90 days. These items can be claimed at the Big "A" Storage Site on the western bank of the Santa Ana River Channel. See map below. Stored items that remain unclaimed after 90 days will be considered abandoned and disposed of.

B. The following classes of items are subject to immediate disposal without being stored: (i) trash; (ii) items that are objectively determined to be intentionally abandoned by their owners; and (iii) items that would present a potential health hazard to store. OCPW will dispose of items identified by their owners as trash at their owner's request and free of charge.

Big "A" Storage Site will be open during regular business hours Monday through Friday from 7am to 3pm. If you have any questions or need assistance, please contact OCPW at 714-955-0200.
